

## To Road Trip Like a Pro in the North State, Explore Butte County Offers Suggested Itineraries for Memorable Tank-of-Gas Getaways

**BUTTE COUNTY, Calif. (July 12, 2021)** – Because a single day trip simply doesn't offer enough time to adequately explore even a corner of the expansive Butte County, local experts and enthusiasts have compiled two- and three-day suggested road trip itineraries curated and showcased by Explore Butte County.

Written by local resident and avid adventurer Michael J. Riser, a number of tank-of-gas getaways and overnight stay suggestions are now available on the comprehensive and resource-rich Explore Butte County website that include options such the following:

- [#HikeButteCA Road Trip](#) – perfect for those exploring the popular #HikeButteCA pass program, tried-and-true insights from a long-time local complete with a variety of must-stop destinations in Gridley, Oroville, Paradise & Chico;
- [Highway 99 Road Trip](#) – complete with time spent enjoying downtown Chico – filled with dining spots, coffee houses, farmers markets and more – with memorable stops at the National Yo-Yo Museum, Sierra Nevada Brewery and Taproom, and Gray Lodge Wildlife area, just to name a few;
- [Highway 70 Road Trip](#) – highlighted by stops at Marysville's Bok Kai Temple and Oroville Chinese Temple plus suggested time spent meandering the scenic and spectacular Feather River Scenic Byway and Hot Springs, and even taking a walk across the Oroville Dam to see the spectacular views from the tallest dam in the country.

"Butte County is an amazing destination for those who love to hike, bike, swim, float, boat, eat, drink, shop, adventure, explore and more," said Carolyn Denero, Explore Butte County Executive Director. "And because fun trips on roads-less-traveled can help transform long and lazy summer days into memorable experiences filled with new discoveries, we curated a few suggested itineraries for locals and visitors to explore what awaits in Butte County. We invite adventurers to explore some of our favorite spots and maybe discover hidden gems along the way."
